

New Member Benefit

Get yourself connected:

– e-commerce booking and business management technology for members of TSE at massive savings on purchase cost

More than 50% of all travel and tourism bookings are now taken on the internet, and it's growing every day. If you're not connected, you're not competitive.

You've told us that you find it difficult to compete with big business, so we've negotiated a new member benefit which gives you an impressive bundle of tourism technology. This includes:

- a Property Management System with front-of-house and back-office functions which will help you run your business more efficiently;
- the capability to create automatically your own simple website, or add a "book now" button to your existing website;
- the potential to take online bookings in a secure environment where you retain total control of availability and pricing.

Tourism South East (TSE) has negotiated with eviivo to offer the Frontdesk® powered by eviivo product to all members of TSE at very attractive prices. You must be a fully paid-up member to qualify.

This is an exclusive benefit for members of TSE. You can purchase Frontdesk® powered by eviivo for £250 (excluding VAT).

The impressive package includes the software, one-on-one installation, training and online / telephone support. This represents a saving of £245 (excluding VAT) to TSE members on the normal recommended retail price (RRP).

Please see also the leaflet and Q&A about Frontdesk® powered by eviivo. For more information visit www.eviivo.co.uk or call 0800 422 0088 or email sales@eviivo.com and quote 'TSE Special Frontdesk Member Benefit' when you contact eviivo to ensure you get this special TSE member benefit.

the Beautiful South
